

THE POWER OF

Joyful Reading

HELP YOUR YOUNG READERS SOAR TO SUCCESS!

by Eric Litwin and Dr. Gina Pepin

Eric Litwin, original author of the best-selling Pete the Cat series, and Dr. Gina Pepin, an award-winning teacher, provide practical tools and strategies to transform your classroom into a “reading playground”—a space where children read, sing, dance, and celebrate words and texts.

This book supports educators and parents as they immerse young children in joyful shared reading experiences that build foundational reading skills. The concrete strategies in *The Power of Joyful Reading* help children learn to love books and reading and see themselves as successful readers.

Litwin and Pepin’s expert framework offers:

- Ready-to-implement strategies that support all curricula and work with all learning approaches
- Research-based solutions for classroom practices
- Strategies to promote social-emotional growth
- Tools to implement successful shared reading experiences in daycare, preschool, kindergarten, and early elementary classrooms

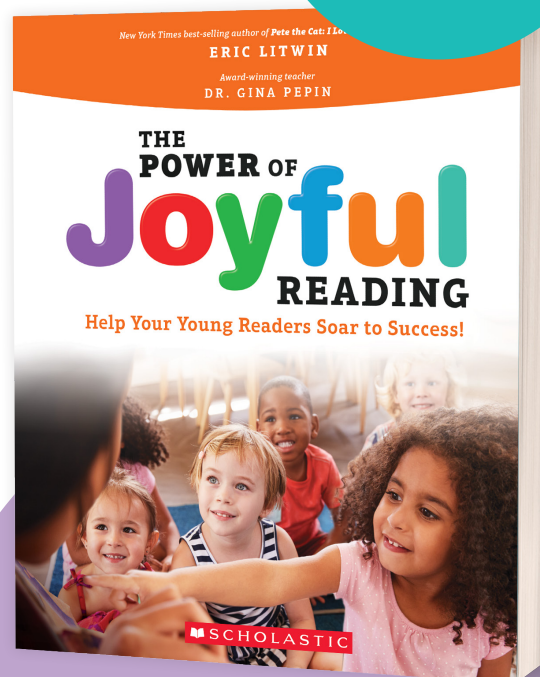

Eric Litwin is a former third-grade teacher, the original author of the *New York Times* best-selling Pete the Cat series, and the author of *The Nuts* and *Groovy Joe*. His books have sold more than 13 million copies, been translated into 17 languages, and won 26 literacy awards.
